## PRINCE EDWARD COUNTY

Just a few hours from Toronto, Montreal and Ottawa, this is a central location to bring the team together. The County is a year-round destination and is known for its wineries, breweries and amazing restaurants. It's the perfect destination to be out and about, discover something new and spark interesting conversation. Think meetings in our office, wine tours, dinners out, ice skating in the winter, candle lit yoga and evening campfires back at The June.

## SAUBLE BEACH

3 hours from Toronto, Sauble Beach is famous for its retro beach town vibes. Remote in the fall, this is the ideal location if you want to keep everything on property and foster team building. Think beach walks, a private dinner/party at Heydays, lawn games and evening campfires.

With the onsite restaurant, this is an ideal location to spice-up your office holiday party this year.
